 DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,
 and do hereby grant the same, subject to the following limitations and
 conditions:

Deny the same on the grounds that there are no unappropriated
 waters on the source and that the granting of a permit would seriously
 impair the value of prior and existing vested rights.

The amount of water to be appropriated shall be limited to the amount
 which can be applied to beneficial use, and not to exceed _____
 cubic feet per second.

Actual construction work shall begin on or before _____

Proof of commencement of work shall be filed before _____

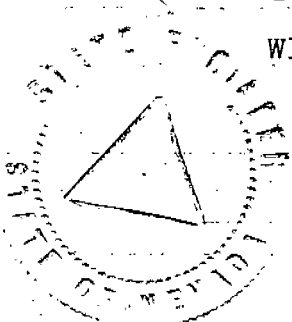

Work must be prosecuted with reasonable diligence and be completed on or
 before _____

Proof of completion of work shall be filed before _____

Application of water to beneficial use shall be made on or before _____

_____. Proof of the application of water to beneficial
 use must be filed with State Engineer on or before _____

WITNESS MY HAND AND SEAL this 17th day
 of August, 1929

Les Malone
 State Engineer.
